

Mobile tanks

All our mobile tanks have 5 years of guarantee in the vats and 2 years of guarantee in the equipments of cold

The above mentioned mobile tanks, they are constituted for:

- Round cylindrical tank (up to 1.000 Liters). Constructed in stainless steel of quality food type AISI 304, according to ISO regulation 5708 (UNE68-049-82).

They include these:

- System of cooling across evaporating for direct expansion of refrigerating gas 404A.
- Hermetic compressor of 1 ¼ cv of power (2 milkings, rapid cooling).
- Top lid welded to the vat to avoid spillages of the product during the transport. Cover of transparent inspection provided with meeting of rubber to obtain his closing I suspend.
- Electrical connection, agitator with motorcycle - reducer electrical, picture of control with electronic programmer by means of probe of interior temperature.
- Isolation of the vat based on foam of polyurethane expanded of 50mm of totally ecological thickness (without CFC).
- Faucet of exit of product partly low DN50 in stainless steel with valve of butterfly. It incorporates ball of wash for direct connection into water capture in the cover.

- Tow 1 axis with brake, you roll externally. MMA: 750 kg. Platform in galvanized sheet, electrical installation according to legislation, authorized to circulate by road, rolls Jockey standard, galvanized auto body, mudguard, suspension for system of twist.

- Generator of electricity of high performance 220v.

Also there exists the possibility of lateral walls incorporating him for a maximum protection.

TANKS OF COLD TYPE OPENED (2 milkings)

CAPACITY	MAXIMUM VOLUME	MONOF.(1) TRIF. (3)	AMOUNT
200 Lt.	240 Lt.	1	1.467 €
300 Lt.	332 Lt.	1	1.554 €
400 Lt.	425 Lt.	1	2.154 €
400 Lt.	425 Lt.	3	2.171 €
500 Lt.	523 Lt.	1	2.222 €
500 Lt.	523 Lt.	3	2.240 €
650 Lt.	650 Lt.	1	2.499 €
650 Lt.	650 Lt.	3	2.455 €
800 Lt.	850 Lt.	1	2.947 €
800 Lt.	850 Lt.	3	2.847 €
1.000 Lt.	1.070 Lt.	1	3.352 €
1.000 Lt.	1.070 Lt.	3	3.262 €
1.200 Lt.	1.238 Lt.	3	3.487 €

* Price of the car:980 €

* Price of the generator:310 €

*** Not included transport ***
